

# Climate Action Moreland Climate and Sustainability Forum 29 April 2019

## Candidate Apologies: **Manju Venkat (United Australia Party)**

The following Candidate apology was received on April 26:

My apologies.

I will not be able to attend and participate in the candidates forum on 29th April as I need to be out of station for personal reasons.

I am sorry for missing the event and missing an opportunity to communicate with my electorate voters regarding the subject matter. I do not want the participants to miss our message.

Can I request you to arrange for reading my message to the participants which is given below. I assure the organisers of this event and the participants that I will promptly answer all question if sent to [Wills@unitedaustraliaparty](mailto:Wills@unitedaustraliaparty).

## Message:

My name is Manju Venkat and I submit my respects to Indigenous Wrundjeri people past, present and future.

I am a United Australia Party candidate for WILLS. My experience in the resources Industry and farming has been for over 27 years. This has made me realise the problems my fellow Australians are facing.

I love what I do and I stand by all Australians, irrespective of race, origin or religion. I will fight for better living conditions and I will bring cheaper electricity in to your homes from eco-friendly nuclear energy.

I want to add more value to the local resources and create more jobs and make Australia great.

I believe in putting Australians first and I stand by values of united Australia party.

Unlike my opponents, my party policies and ideas are implemented with out any external pressures and I stand by creating a non-corporate Government.

As the Mining and farming are the major activities on which our economy is depending on, we find no real good reasons for not allowing coal mining under the strict environmental impact assessment studies and environmental management plans.

My apologies for not being with you today. I am happy to answer questions if any, through email: [Wills@unitedaustraliaparty](mailto:Wills@unitedaustraliaparty).

**Manju Venkat** M Sc., FAusIMM

**Candidate for Wills- Vic**
